

## CANTERBURY AREA REPORT NATIONAL AGM 2019

Canterbury Branch has a run or social event every month. These include day and half day runs, meals out, bbq's, a garage ramble and displays.

Similar numbers out on these events as in previous years, with a good coverage of Austin models, and with newer members coming out, so we hope they will continue to do so as they do seem to enjoy the runs & company.

Christine Hope is our local Branch secretary/treasurer and with me still the Branch Organiser, (a position I have held for 31 years).

We still send an email monthly as a reminder of upcoming events, we have had a few hiccups with these, but people seem to enjoy getting them, not sure if we get more cars out though.

A small group go each year to help Evan do The VAR Stocktake, which is always a good get together.

That is my Canterbury Branch Report.
